What we do	
How does WebBank protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
How does WebBank collect my personal information?	 We collect your personal information, for example, when you Open an account or use your account Pay your bill or give us your contact information Provide account information or give us your contact information We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing?	 Federal law gives you the right to limit only: Sharing for affiliates everyday business purposes—information about your creditworthiness Affiliates from using your information to market to you Sharing for non-affiliates' companies to market to you See below for more on your rights under state law.
What happens when I limit sharing for an account I hold jointly with someone else?	WebBank does not offer joint Fingerhut Credit accounts.

Definitions	
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. • WebBank does not share with our affiliates
Non-affiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. • WebBank does not share with non-affiliates so they can market to you
Joint Marketing	A formal agreement between non-affiliated financial companies that together market financial products or services to you. • WebBank doesn't jointly market

Other Important Information:

If you live in Vermont, we will not share information about your creditworthiness with our affiliates for their everyday business purposes unless you consent to that sharing. If you live in California, we will not share information about you (1) with our affiliates for their own purposes or (2) for joint marketing with other financial companies.
